KCS is excited about the support for our school from the business community in everything from gifts-in-kind to cash donations. Because of your generosity Kingspoint has created the **Business Partner Program**. Business partners are companies or corporations that monetarily support and partner with the mission of Kingspoint. Participation in the **Business Partner Program** will help Kingspoint grow far beyond what tuition alone can do.

As a result of your participation in the **Business Partner Program**, your contributions will help assist our school in the following areas:

- Needs-based tuition assistance
- Laptops & iPads for students
- School Support

Your investment in the lives of students will help them grow into the future leaders of our community.

To learn more about the benefits of partnering with us, you may contact Kingspoint School Development Office at 509-547-6498.

For more information on enrolling in the Business Partner Program please contact the Development Office at 509-547-6498.
